

AIR ENGINEERING®

HIGH PERFORMANCE AIR COMPRESSOR
PARTS & LUBRICANTS SINCE 1962

We Weren't Kidding When We Told You Our Warranty Programs Are The Best In The Business.

Air Engineering® Keeps You Up And Running!

We're Proud To Offer The Largest Selection Of High Performance Parts
In The World – And We Stand Behind Each And Every One.

PARTS WARRANTY*

Air Engineering® continues to lead the replacement parts industry by offering the best warranty in the business: **ONE FULL YEAR or 8,000 hours**, whichever occurs first. If one of our parts fail, we not only replace the part—we pay for the cost of your labor to change it out.

AIR/OIL SEPARATOR ELEMENTS*

ONE FULL YEAR or 8,000 hours, whichever occurs first. If one of our separators fail, Air Engineering® will supply a new separator plus we will provide **REPLACEMENT LUBRICANT**, in order to replenish any lubricant that was lost as a result of a defective Air Engineering® Separator. (Don't forget—we will pay for your labor cost to put the new part in.)

LUBRICANT WARRANTY*

Air Engineering® warrants that its lubricant will be completely compatible with the manufacturer's products it is intended to replace. Air Engineering® warrants that our lubricants have been tested for complete compatibility with all appropriate materials, including seals and hoses, and that our lubricants will not cause damage to these parts or other parts of standard air systems under normal and reasonable operating conditions.

OUR EXCLUSIVE EXTENDED WARRANTY PLEDGE*

You can take full advantage of our cost savings WITHOUT the risk of losing any protection: We will **MATCH** the terms of your Extended** Air-End Warranties if you designate Air Engineering as your sole compressor parts and lubricants supplier.

**13 – 60 months

AIR END REBUILDING: EXTENDED TWO YEAR WARRANTY*

Air Engineering® is proud to offer our 2-year, 16,000-hour extended warranty program for air ends we rebuild, at **no additional cost**. We'll even throw in Air Engineering's® **FREE oil analysis** program every 2,000 hours of compressor operation and document all manufacturers recommended maintenance on the compressor. Ask our compressor specialists for full details.

AIR END REBUILDING: STANDARD ONE YEAR WARRANTY*

If you do not wish to participate in Air Engineering's® Extended Warranty program, you can still enjoy the benefits of our standard 1-year, 8,000-hour warranty. Air Engineering® warrants air ends we rebuild for one full year or 8,000 hours, whichever occurs first.

If you would like to have copies of the full warranties, just ask. We are proud of them. Call **1-800-558-4318** today and let one of our compressor specialists answer any questions you may have.

* Warranties are subject to terms and conditions. See our complete warranty package for details.
